The Ultimate NIRVANA Experience

"NEARVANA" the "Ultimate Nirvana Experience" is an incredible recreation of the rock band NIRVANA which emulates Kurt Cobain and the group at the height of their popularity, and clearly demonstrates what a ferocious live force they were.

Complete with all the looks, outfits, stage theatrics and sound... NEARVANA gives you a high energy simulation of being at a Live Nirvana concert.

NEARVANA is the only Nirvana Experience to have the blessings from the three surviving members of the band - Dave Grohl, Krist Novoselic, and Pat Smear.
